

Please Send ONE  
MORE COUNTING TRAY  
"We love them"

Dear Sir -

I think your product is invaluable.  
I have had the "shake & Roll" for over 6  
months now - and will not part with it.  
In fact, the reason I'm writing is to  
order another one for my other pharmacist.  
I have been ordering more and more of  
drugs in bulk - and he cannot keep up  
counting 100's by 5's all day long!

Please send my order ASAP.

Thank you very much.

I like it! I like it!

PLEASE BILL ME LATER,

BUT DO NOT DELAY SENDING THE  
COUNTING TRAY - I DESPERATELY NEED  
IT.

"THE COUNTER IS WORTH ITS WEIGHT IN GOLD"

I tried your shake n roll  
and I think its great. I  
have been a tech (now a certified)  
for 15 years and I've used  
counting trays and Kirby Lesters  
and Baker Cells. I think  
your idea is the best way to count

SINCERELY, SHAKE &

ANSWER 2 PHONES AND STILL

ONLY A SHAKE & RATTLE &  
ROLL. THANKS AGAIN!

Your Shake and Roll is  
a great time saver. Our  
expensive Electronic counter

shake & roll. I am faster,  
saved counter space & saved  
big bucks for repair. This  
logical invention is a great
